**NEXT MEETING: FEBRUARY 5, 2018 – 1:00 – 3:00 PM**

**DISCUSSION:**

1. Melissa Mannix called the meeting to order at 1:04 p.m.
2. Quorum present and voted to approve December minutes. Deon motioned for the approval and Paulette seconded. December minutes approved.
3. Mackenzie provided a budget and procurement update. Same projects are going on but exact dollar amounts not given at this time but he will provide at the upcoming Council meeting.
4. $135,000 DQ was put out but only $90,000 has been awarded; $45,000 is funding Sewell and $45,000 funding ACCO. Mackenzie will speak with the department to determine if the DQ needs to be reissued for the remaining $45,000.
5. Federal fiscal Year 2018 grant is $880,000. Approximately $185,000 given from the feds in the first disbursement. Second disbursement will be around March, and final in June.
6. Sue provided committee with schedule of training and meeting dates. Peggy gave her feedback from training with Jeff Santelli and the Crisis Intervention Training (CIT) at Jeffco Public Schools.
7. Grant Update: Guest speaker Jeff Santelli provided a brief background and update on Crisis Intervention Training (CIT). In 2017 the two biggest challenges are money and time. Appeals to school officers and campus safety officers but recently more administrators are attending. Program is Colorado focused but does not turn away out of state attendees.

8. Topics CIT trains are adolescent development, disorders, substance disorders, connecting to resources, portion for school resource officer, communication de-escalation, NOMI, individuals with developmental disabilities, legal considerations, Suicide self-injury, role plays (youth actors play roles).

9. With the first grant the Council awarded CIT, a total of six trainings were to be offered but unfortunately since Grand County canceled twice, only five were given. The requirement for the newest grant asks for at least eight training classes but Jeff was happy to announce there might be more due to demand.

10. There has been a 67.9% decrease since trainings have gone “hands on” in the most recent school year from previous year. Newly developed CIT parental class due to demand. Jeff will also be providing refresher training which would consist of four hours; two in class hours and two role playing hours. DPS is looking at between five to seven refresher classes for officers. Cost approximately $900-$1000 per class per individual. Jeff is extremely grateful to the Council for providing the grant that funds this training and read multiple testimonies from campus safety and officers that were able to utilize CIT training skills during various situations.

11. Colorado Youth Leadership Forum guest speakers Bill Wood, Chris Roe, and Joe Anzures. Conducted in about 30 states around the country for high school juniors, seniors and young adults up to age 26. Forum is not a camp or a public event but a five day closed conference for 25-30 delegates who are recruited, apply, and selected.
